

IELTS Score Report Submission:

Hardcopies of official IELTS scores, in official envelopes, should be mailed by the testing agency directly to the MSU department the international graduate applicant is applying to **OR** the Office of Admissions.

Hardcopies of test scores, along with official envelopes, will be used by departments and/or admissions staff to determine the official nature of the score reports. Envelopes and score reports will be **saved** by admissions processing staff.

Please note that score reports uploaded to GAMS will be treated as **unofficial unless** physical copies of official score reports and official envelopes have been received by the Office of Admissions - and deemed **official**.
